SUMMARY

I'm a 21-year-old software developer specializing in full-stack web development, currently pursuing a Bachelor's degree in Computer Engineering in Mashhad, Iran.

With 2+ years of experience, I primarily work within the JavaScript ecosystem, using technologies such as TypeScript, Next.js, React, and Node.js. I'm passionate about building performant, scalable applications and continuously improving my skills through learning and hands-on experience.

EXPERIENCE

Full-Stack Web Developer

Self-employed | Jul 2024 – Present
